EXPRESS UU BAR RANCH | EST. 1848

A man in a light-colored shirt, khaki pants, and a cap is fly fishing in a lake. He is standing in the water, holding a fishing rod. The background shows a large, forested mountain under a clear blue sky. The water is calm, reflecting the sky and the man.

FISHING

The Express UU Bar Ranch offers numerous fishing opportunities for anglers looking for a unique and quality fishing experience. Trout fishing is our specialty. We provide top quality fishing and the best private fishing experience in New Mexico.

One option we offer is to rent one of our private high country lakes with a cabin. Rentals can be made for a day, weekend, or even a week. These high country lakes are stocked every spring with huge rainbow trout.

Another option, is to stay in our beautiful Rayado Lodge and fish for Rainbows, Browns, and Pike in our lakes and ponds near our headquarters while our cooks prepare all your meals.

Try our selection of Express flies made specifically for our ranch by Pistol Pete Flies. They are deadly on trout!

TROUT AND PIKE FISHING

Try your favorite fly pattern on our brown and rainbow trout at one of our three high country lakes that often produce rainbows in the 17-20 inch category. These private, scenic vistas also offer the perfect backdrop for a friend or family getaway.

Fishing in the Miami Lagoons for pike is another of our popular fishing experiences. These lagoons are a private part of the ranch. The State Record Pike was caught right here on the Express UU Bar Ranch!

All of our lakes and ponds are Class A Waters. This means a state fishing license is not required to fish our lakes or ponds. Ranch licenses will be available at our office in the lodge at Rayado.

SPORTING CLAYS AND RIFLE RANGE

We offer some of the finest sporting clay shooting in Northern New Mexico. The sporting clay range is within easy walking distance of our lodge at Rayado. Bring your own shotgun or rent one of ours. Shotgun shells are sold at the office.

Our rifle range is also within walking distance of the lodge. Try out your shooting skills or sight in your favorite rifle on our 400 yard range.

VARMINT HUNTING

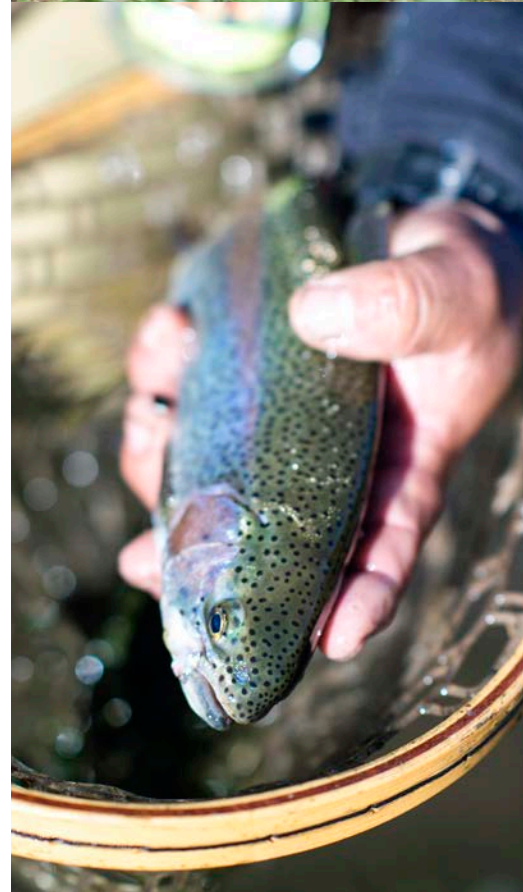

The Express UU Bar Ranch offers several varmint hunting options. Calling coyotes is exciting and challenging. If you have never called coyotes, you are in for a treat! Other small varmint hunts are available. An Express UU Bar guide is required.

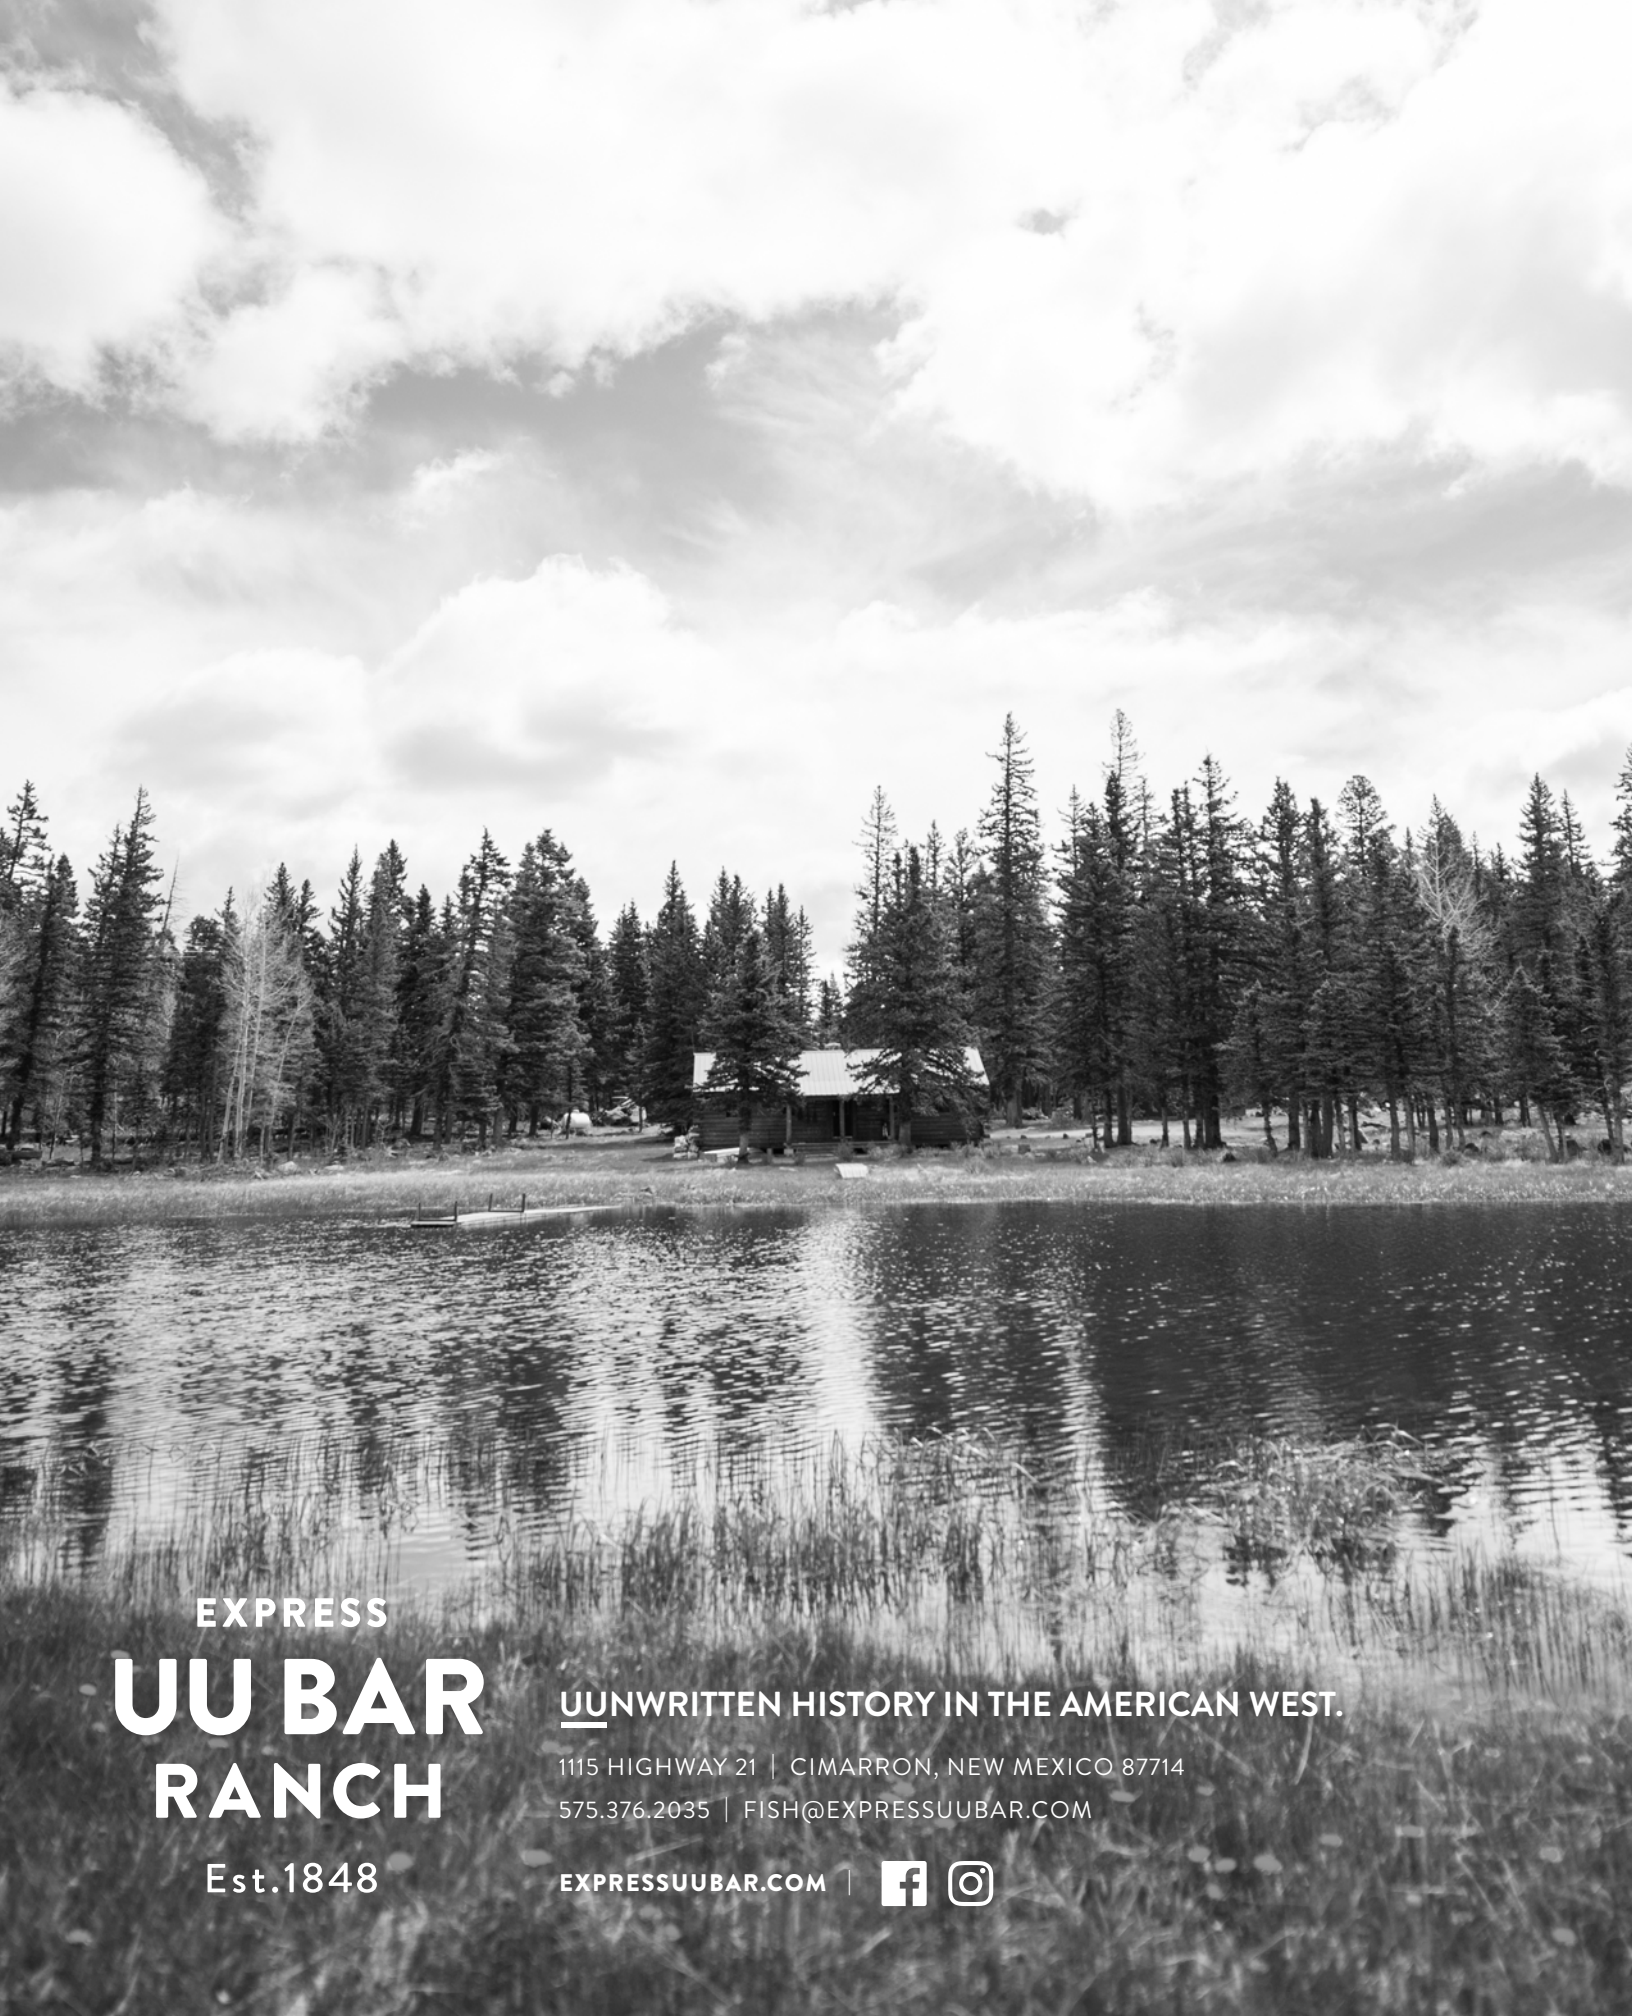

RANCH UTV TOURS

For those of you that enjoy the western landscape but want a quieter experience, the Express UU Bar Ranch offers guided UTV tours. Follow the famous Santa Fe Trail, enjoy an exciting wildlife tour, explore our breathtaking high country, or investigate one of the historic homesteads on the mesas. UTV tours must be scheduled 48 hours in advance.
